it usually is.*

How to Choose the Right Contractor

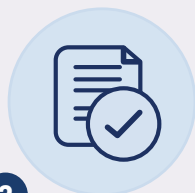

The right choice **protects your home, your money,**
and your **peace of mind.** Here's what to look for.

1

Licensed & Insured

always verify. It protect you from liability and ensures they're held to a standard.

2

Detailed Written Quote

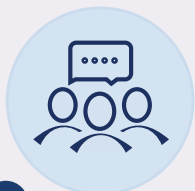

It should include scope, material, timelines, and payment schedule. No vague numbers.

3

Proven Experience

Look for a portfolio of similar projects and customer reviews you can visit

4

Clear Communication

They answer your questions, explain the process, and keep you updated.

5

Realistic Timeline

Too fast can mean corners get cut. Too vague is a red flag. Look for realistic and specific.

6

Strong Contract

It protects both of you. It should outline the full scope, costs, timeline, and what happens if things change.

Trust is Earned. Not Promised.

A reputable contractor will welcome your questions, provide clarity, and stand behind their work.

Red Flag to Watch For

High-pressure sales, large upfront deposits, cash-only deals, or someone who won't put it in writing. **Walk away.**

The right contractor doesn't just build your space
They protect your investment.
